RE: ID # COM\_288039, City Block Bordered by South Street, Henderson Ave, Jeffcott Street, and Midway Ave (aka Homerama).

Dear Mr. Kazemi:

Thank you for submitting an amended City of Fort Myers' ("City") draft Site Assessment Work Plan prepared by GFA International, Inc., for the above referenced site, dated July 21, 2017, GFA Project No. 17-5281.00.

The Department has reviewed the previous drafts of the work plan for consistency with Chapter 62-780, F.A.C. We provided significant comments and additional requirements in our comment letter of [July 17](#).

The Department finds that the amended plan addresses all previous Department comments as well as satisfies the requirements of Chapter 62-780, F.A.C.

It is our understanding that the next step will be for the City to publish a public notice of this draft plan and hold a public meeting for the City to solicit public comment.

Following the incorporation of any public feedback by the City, the Department will conduct a final review of the work plan. We will also carefully review any new information gathered as part of the assessment or from the public. We remain available to assist as needed as the City works to finalize its assessment plan and are committed to ensuring that all aspects of the City's plan are achieved once it is finalized and approved.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Iglehart", with a long horizontal flourish extending to the right.
