RE: FDEP ID: COM 288039, Weekly Update

Jon Iglehart
South District Director, FDEP
2295 Victoria Avenue, Suite 364
Fort Myers, Florida 33901

Dear Mr. Iglehart,

This letter constitutes the weekly update requested by FDEP concerning the removal of the lime residual at the South Street Property.

The Site Assessment Report Amendment (SARA) and the Lime Residuals Removal Report were delivered to the South District Office on June 28, 2019 for your review. The City is waiting for a response.

The City intends to have the additional wells discussed in the SARA constructed this week. Additional water quality testing will be conducted at the end of July.

If you have any other questions or concerns please contact me at (239) 321-7630.

Thank you,

Richard H Thompson, P.E.
